

Saint Josephine Bakhita Parish
Holiday Fair
November 18, 2023
Cookie Walk

We know that every baker has that one "special cookie" they take pride in baking. Now is the time to showcase your specialty by helping us to meet our goal of 400 pounds of cookies! These are the cookies you make for your family and friends for special occasions that receive rave reviews! **Ethnic cookies are especially sought after by the attendees at our very popular Cookie Walk each year!**

Cookies are sold by the pound and we ask that you provide at least 4 to 5 dozen if possible. Delivery will be the day before the Holiday Fair. We will call or email you with the drop off time and location. Our parish was the first church west of the river to host a cookie walk. Many visitors from other towns come to our fair specifically for the beautiful presentation and huge variety of cookies on display. This is all due to you, our wonderful parishioners, who bake for us!

Please fill out this form and drop it in the appropriately marked trays in the foyers at either church campus as soon as possible. If you prefer, you may email your intended donations to SJBholidayfair@gmail.com.

You may also telephone MaryAnne DiPasquale (860-529-2304) or Antonella DiBattisto (860-416-1440).
